1/2 YARD FABRIC

COORDINATING THREAD

ELASTIC FOR WAISTBAND OR RIBBON FOR DRAWSTRING

DIRECTIONS:

- 1. Wash and press fabric**
- 2. Fold fabric selvedge-to-selvedge and lay on flat surface. Smooth out any wrinkles before pinning pattern.**
- 3. Pin pattern to folded, smoothed fabric**
- 4. Cut pattern along dotted "scissor" line**
- 5. With right sides together, pin and sew "CENTER SEAM FRONT" together.**
- 6. With right sides together, pin and sew "CENTER SEAM back" together.**
- 7. With iron, press open seams on both "CENTER SEAM FRONT" and "CENTER SEAM back"**
- 8. Right sides together, pin and sew "INSEAM FRONT" and "INSEAM back" together**
- 9. Right sides together, pin and sew "SIDE SEAM FRONT" and "SIDE SEAM back" together**
- 10. Fold waistline down 1/8" and press. Fold again 1/2" and press.**
- 11. Mark front holes for drawstring and make with buttonholes with appropriate presser foot (skip this step if using elastic insert for waistband).**
- 12. Edge stitch bottom fold (leaving 1" opening, if using elastic insert for waistband)**
- 13. Insert drawstring in buttonholes (or 1" opening if using elastic and sew close).**
- 14. Fold hems 1/8" press, and fold again 1/4" press.**
- 15. Edge stitch hems.**
